ThermaDog-TH1.1

Real-Time Environment Monitoring and Alert system in polyhouses

INTECOG

1 Do you want to avoid spoilage of your crops due to human error or failure of temperature or humidity control equipment in polyhouses?

2 Do you want Data-driven temperature and humidity control in your polyhouse in order to minimize energy consumption and maximize yield?

3 Do you want to have peace of mind with the ability to remotely monitor the condition of your crops from anywhere in the world in real-time?

ThermaDog meets all of these needs. It is a robust device for monitoring **temperature**, **humidity** and any other parameter you need to ensure the safety and quality of your crops during protective farming.

⭐ KEY FEATURES

Alerts on Delivery Deviations

Get instant alerts via email, app and SMS for any deviations in Environmental conditions.

Real-time Tracking

ThermaDog tracks crops' temperature, and humidity and can send periodic data as frequently as one minute.

Access Data Anytime

Access historic data in tamperproof pdf format (compliant with FDA's 21 CFR Part 11) and graphical formats from the app.

Easy Installation

ThermaDog is a portable, battery-powered device, making installation very easy.

Additionally, know instantly when doors open, securing your crops anytime.

Built by the finest engineers from **IITs and NITs**, our **award-winning startup's** device outshines competitors with an unrivaled 30% improvement in network connectivity across India.

Secure **API integration** for device data transfer to your software.

Unlimited warranty, prompt support

Customized features & simplified UI

Flexible pricing: Pay per use

At Intecog, Integrity is at its core. We deliver genuine products with certification from NABL accredited laboratory.

TECHNICAL SPECIFICATIONS

Temperature Sensing	−25°C to +80 °C , +/-0.3 °C
Humidity Sensing	0 to 100 %RH , +/-3.0 %RH
Dimensions (L x W x H)	155 x 135 x 46 mm
Weight	300g
Water proof rating	IP64
Battery life	60 days

INTECOG is your Trusted Partner for all your Asset condition monitoring needs.
Don't let your goods go to waste. Sleep peacefully while ThermaDog guards your assets.
